

LNG 102 Technical English 3(3-0-6)

Prerequisite: Pass at LNG 101 General English or Having at least 50% of the test (university admission test)

The course aims at developing English communication skills covering listening, speaking, reading, and writing. In particular, it emphasises listening and speaking skills necessary in technological contexts through practical, real-life, and hands-on communicative tasks. It also aims to cater to each student's learning styles by doing a variety of activities and promoting independent learning skills via the Self-Access Learning Centre or online activities/materials. Through these activities, students are expected to further develop positive attitudes towards, and confidence in, using English in technological contexts.
