

### **LNG 101 General English 3(3-0-6)**

This course aims to strengthen basic knowledge of English and to build positive attitudes towards language learning. Covering all four skills integrated through topics related to everyday English and basic skills-oriented strategy training, this course raises the students' awareness of both language and learning, thus enabling them to understand and use English with relative ease and efficiency. In order to enhance life-long learning skills, the course then combines classroom learning with self-access learning, via the Self-Access Learning Centre, to encourage the students to focus on their own specific needs through a task or a mini-project. To accomplish the tasks, the students are expected to develop language skills and apply strategies learned throughout the course.
